Dear Mr. Davis:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Your report discloses a returned contribution from a federal candidate totaling \$5,000 on Schedule B supporting Line 28(c) of the Detailed Summary Page. If the check written by your committee was not cashed, you should itemize the voided check on Schedule B supporting Line 23 as a negative entry. Line 28(c) should be used if your committee refunded a contribution made by another political committee. Please amend your report to correct this discrepancy or provide clarification regarding this transaction.

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
